

Here is information on how to access the Jackson Mobile Air Quality Station quarterly and annual reports and audits. These are available via the Wyoming Department of Environmental Quality Air Quality Division's Open Air Web Resource (<https://openair.wyo.gov/disclaimer.jsf>). Steps to access:

1. Click "Agree" to the disclaimer message. You should now be at the IMPACT Home (or Facility Search) webpage.
2. Click the "AQD Monitors" tab in the upper right. You should now be at the Monitor Group Search webpage.
3. Search by Group Name as "Mobile Gaseous Trailers" or by Group ID of "MGRP000008".
4. A Monitor Group List will appear, select either "Mobile Gaseous Trailers" or "MGRP000008" as both will take you to the Monitor Group Detail webpage for the Mobile Gaseous Trailers.
5. Select the reports of interest, see the table below with Jackson Mobile's reports. Within each MRPT, you'll find a PDF of a Jackson Mobile report or audit.
